Why Choose Sri Chaitanya

Sri Chaitanya is India's No. 1 institution for preparation of JEE-MAIN/ ADVANCED and NEET-UG for class XI and XII students. It is well regarded for nation-wide entrance examinations and produce all India ranks below 10 and 100 year after year. It introduces innovative teaching methods and technology to focus on building a strong foundation of conceptual knowledge in preparing for competitive exams and board level exams in an easy manner. The best infrastructure and academic support, individual monitoring of each and every student by top-notch faculty, Management are some of the secrets of our success.

Sri Chaitanya, Asia's largest educational brand for JEE/NEET has started Online digital Classes for this academic year 2020-21 (for IIT-JEE, JEE Main, NEET (UG), 11th and 12th) due to Lockdown. After completing the admission process students will be provided access to our Digital Classroom Online Portal (e-Praghna) and through that platform student can attend the online classes using mobile, desktop, laptop and other similar devices. For this students can attend classes from home. Sri Chaitanya's top Coaching Faculties will be teaching students in this online learning programme. Sri Chaitanya will convert these Online Classes into regular offline Classroom classes once lockdown is over and students will have to attend classes at nearest Sri chaitanya Campuses across the country.
